

## WAYER'S CHERRY PECTORAL

For the Cure of  
**COUGHS, COLDS, HOARSENESS,  
BRONCHITIS, WHOOPING-COUGH,  
CROUP, ASTHMA, AND  
CONSUMPTION.**

Of all the numerous medicines extant, (and some of them valuable) for the cure of pulmonary complaints, nothing has ever been found which could compare in its effects with this Preparation. Others cure sometimes, but at all times and in all diseases of the lungs and throat where medicine can give relief, this will do it. It is pleasant to take, and perfectly safe in its action, and it is the only medicine that can be used with confidence with the directions. We do not advertise for the information of those who have tried it but those who have not. Families that have known its value will not be without it, and by its timely use, they are secure from the dangerous consequences of Coughs and Colds which neglected, ripen into fatal consumption.

The Diploma of the Massachusetts Institute was awarded to this preparation by the Board of Judges in September 1871; also, the Medal of the three great Institutes of Art, in this country; also the Diploma of the Ohio Institute at Cincinnati, has been given to the CHERRY PECTORAL, by their Government in consideration of its extraordinary excellence and usefulness in curing affections of the Lungs and Throat.

Read the following opinion, founded on the long experience of the eminent Physician of the Port and city of  
**Dr. J. C. Ayer.** ST. JOHNS, May 8, 1851.  
Five years trial of your CHERRY PECTORAL, in my practice, has proven what I formerly from the composition, must be true, that it eradicates and cures the colds and coughs to which we in this section, are peculiarly liable.

I think it equal has not yet been discovered, nor do I know how a better remedy can be made for the distempers of the Throat and Lungs.  
**J. J. BURTON, M.D., F.R.S.**  
See what it has done on a wasted constitution, not only in the following cases, but a thousand more:  
**Suburban, Jan. 24th, 1851.**

Dr. Ayer: In the month of July last I was attacked by violent asthma, in the middle of California. I returned to San Francisco in hope of receiving benefit from a change of climate and diet. My diarrhoea ceased, but was followed by a severe cough—and much soreness. I finally started for home, but received no benefit from the voyage. My cough continued to grow worse, and when I arrived in New York I was at once marked by my acquaintances as a victim of consumption. I must confess that I saw no sufficient reason to doubt what my friends all believed. At this time I commenced taking your truly valued CHERRY PECTORAL, with the expectation of deriving any benefit from its use. You may not receive these lines did I not regard it my duty to state to the afflicted, through you, that my health, in the space of eight months, is fully restored. I attribute it to the use of your CHERRY PECTORAL.

Yours truly, **WILLIAM W. SMITH.**  
Washington, Pa., April 12, 1848.  
Dear Sir: Feeling that I have been spared from a premature grave, through your instrumentality by the providence of God, I will take the liberty to express to you my gratitude.

A cough and the alarming symptoms of Consumption had reduced me to low to leave me anything like hope, when my physician brought me a bottle of your "Pectoral." It seemed to afford immediate relief, and now in a few weeks time has restored me to sound health. It will do for others what it has for me, you are certainly one of the benefactors of mankind. Sincerely wishing you every blessing, I am  
Very respectfully yours,  
**J. J. CLARKE, Rector of St. Peter's Church.**  
With such assurance and from such men, no stronger proof can be adduced unless it be from its effects upon trial.

## PORTSMOUTH PRICES. FRESH GOODS.

**DRUG & GROCERY**  
LINE, ARE NOW OFFERED BY  
**J. H. C. MILLER,**  
COR. BROADWAY & PEARL STS.  
JACKSON, OHIO.

On Terms hitherto heretofore unknown—For *Flour* and *Wheat*, his price will be the ordinary one—but at these times, his prices are higher than any of his neighbors for *barter*, and is anxious to deal for *Wheat*, *Potatoes*, *Flaxseed*, *Eggs*, *Butter*, *Bacon*, *Chickens*, *Seneca*, *Lumber*, *Lime*, *Corn*, *Oats*, &c.

For cash, he proposes to sell at Portsmouth prices, with more than proportionate addition. 75 cts. per hundred. He sells Coffee, different qualities, by the dollar's worth, at 11 1/2, 12 1/2, 13 1/2, per lb., and at one-half cent less by the bag. No. 1 Sugar, 16 1/2, 16, and 15 1/2 lbs to the dollar, and 1/2 lb. less by the lb.

Loaf and Crushed Sugar, 9 lbs to the dollar. Molasses, 55 galls. to the dollar, and 36 cts. by the bbl.  
Syrup 60 cts. per gall. and 55 cts. by the bbl. White Wine Vinegar, 20 cts. per gall. and 15 cts. by the bbl.  
Rice, 16 lbs to the dollar, 6 cts. by the box. Salt Raisins, 12 lbs to the dollar, 6 1/2 cts. by the box.

Included in his bill now coming up, are *Glass*, *Patty*, *Nails*, *Glass*, *Indigo*, and *Dye-Stuff*, *Soup*, *Starch*, *Cloves*, *Washing* and *Writing Paper*, and other Stationary, *Twine*, *Paints*, of all kinds, *Lard*, *Sweet* and *Fish Oil*, &c., &c.

Telescope of all qualities, from good to best—cheaper than ever known here before, for example, *Cavalish* one-half lb. for \$1.00, *Good* one, for a quarter dollar, or 1/4 cts. by the lb., 8 cts. and 5 cts. by the same rate.  
Cigars, there are from 50 cts. to \$4. per hundred, a fine choice of *Wine*, *Whisky*, and *Liquors* of the purest kind, offered by the case, doz. or single bottle.

When I sell by the small and the price is too packed, I charge a small advance on these prices, and reserve always a small charge. At such prices, there is no margin, leaving no wrapping and crediting, no room for "great liberty" doings, it must be "here or there, or there or there."  
There will be busy work with outsiders of Merchants to "rope in customers" and a little "Committee," inside to throw dust in your eyes; but call before buying and then buy where you can buy cheapest.

## Dr. Wm. HALL'S BALSAM FOR THE LUNGS, FOR THE CURE OF Consumption, Decline, Asthma, Bronchitis, Wasting of the Flesh, Night Sweats, Spitting of Blood, Hooping Cough, Difficulty of Breathing, Colds, Coughs, Influenza, Phthisis, Pain in the Side, and all Diseases of the Chest and Lungs.

**10,000 Dollars Reward**  
Is offered for a better Receipt. It contains no Opium, Calomel, or Mineral Poison, and is safe for the most delicate Child.  
It is estimated that 150,000 persons die annually in the United States, who are using the Balsam of Dr. Hall's. It is a fact that a vast number of these could be saved by the timely use of some prompt remedy.

Dr. Hall's Balsam STRIKES, at the Root of the Disease at once, and such is its speed, that it cures in using less than a day's forcing to directions for 24 or 48 hours, and not entirely satisfied with its merits may return it and receive back his money. MONEY WILL BE CHEERFULLY REFUNDED. The most distressing cough is frequently relieved by a single dose, and broken up in a dry hour's time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.

Call on the agent and get a pamphlet gratis. THE THREATS OF CONSUMPTION, due to its worth more than the price of this medicine. You will find certificates of Physicians, in CINCINNATI and of others whose cures have been effected here at home, where they can be found.

The public have been imposed upon by many cheap imitations of this Balsam, and they are always originated from some unknown source. We believe that a Medicine Possessing Real Merits will effect cures wherever it is used, at a price well as abroad. This is no Paragoric preparation, but one which if used in season will cure the most distressing cough, and thereby save a life. It is a Balsam with Agents from whom they purchase, that in every case where it is used freely according to directions, and entire satisfaction is not given in 24 or 48 hours, they can return the medicine, and their money will be cheerfully refunded.

**WEIGH AND CONSIDER.**  
Dr. Hall's Balsam, is no Paragoric but a Medicine which makes cures at home where the parties can be found. The great Cough and Consumptive remedy.

Reader! have you a cough, which you are neglecting under the idea that it is only a cold, and will soon "wear itself out"? Let a friend tell you, in all kindness, what will soon be the probable result. In a short time, if you continue to neglect yourself, you will begin to feel a sense of tightness and oppression across the chest, accompanied with frequent sharp, smart, stitching pains. Then a dry, hacking cough will set in, and when you say anything it will be a thick and yellowish, or white frothy matter, streaked perhaps with blood. If you will take no medicine, these unpleasant symptoms will continue to increase, until you have hectic fever, cold chills, night sweats, copious expectoration, and then great prostration. If you still neglect yourself, a few weeks or months will see you consigned to the grave, leaving your friends to mourn how rapidly consumption is carried off, and how little it is to be feared. Friend! have you no cause to be alarmed? In the above sketch you may see in a glass, how every case of consumption progresses, with more or less rapidity, to a fatal termination. Ourselves the thousands and millions whom this great Destroyer has laid low, and who are now single cases begun with a cold! If this had been attended to, all might have been well; but, being neglected, the fatal delusion that it would "wear itself out," it transferred its deadly action to the distance of Lungs, exciting there the formation of tubercles. Another, and another cold added fuel to the flame, until these tubercles began to soften and suppurate, leaving, by their ulceration, great cavities in the Lungs. At this crisis the disease is in a very difficult stage, and oftentimes ends in death, unless all human means.

In the latter, or worst stage, this medicine will oftentimes arrest the disease, or check its progress, and will away make the patient more comfortable, and prolong his life, and it is therefore worthy of a trial, but its full effect is in forming periods, Consumption is as curable as any other disease, and Dr. Hall's Balsam for the Lungs, if taken at this time, will cure it as surely as it is taken. We earnestly exhort all who have a cough, or cold, or any other ailment, to keep the medicine by them, and whenever a cold, a cough, or any other ailment, is added, take it, eradicate it thoroughly, and at once, by this powerful healing compound, and leave your Lungs, unimpaired, to carry you in full vigor to a good old age.

**CONSUMPTION CURED!!!**  
TESTIMONY OF A PHYSICIAN.  
Dear Sir:—The public generally are fully aware of the thousands of ruinous cases of Consumptive Lungs, under the titles of Sarsaparilla, Pills, Plasters, Liniments, &c., that are daily brought to their notice through the newspapers, and the numerous publications, and I am writing this note for publication, to induce the public, or at least those who are afflicted (if they will use potent medicines), to use one that contains articles of real use in Pulmonary Diseases. I am a case law, that is, so doing, I am not acting upon theory, but upon fact, and in the interests of the afflicted, I am writing this note for publication, to induce the public, or at least those who are afflicted (if they will use potent medicines), to use one that contains articles of real use in Pulmonary Diseases.

The Medicine to which I refer is, "Dr. Hall's Balsam for the Lungs." I have prescribed it in a large number of cases, and always with success. One case in particular, to which I wish now to refer, was given up by several Physicians who had been called in consultation with myself. The Patient had all the symptoms of confirmed consumption, such as Cold Night Sweats, hectic Fever, Hacking Cough, with constant pain in the lobe of the Right Lung, attended with severe Diarrhoea. He commenced immediately to get better, by the use of the above named medicine, and was soon restored to his usual health! I have also found Dr. Hall's Balsam the most valuable Expecto- rant for breaking up Coughs and Colds that I have ever used.

MORE PHYSICIANS' TESTIMONY.  
We, the undersigned, Physicians of Cincinnati, certify that Dr. Wright's statements are entitled to the fullest confidence of the public, and we can fully corroborate what he has said, having used his Balsam in a number of cases, with the happiest effects! I am, Sir, very respectfully,

HOOFLAND'S CELEBRATED GERMAN BITTERS,** PREPARED BY **DR. C. M. JACKSON,** AT THE GERMAN MEDICINE STORE, 120 Arch Street, Philadelphia.

Their power over the above diseases is not exceeded by any other medicine, and is the result of the most perfect preparation in the United States, as the cures attest, in many cases after skillful physicians have failed.

These Bitters are a worthy attention of the invalid. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most powerful powers in weakness and affections of the digestive organs, they are without a peer, certain and pleasant.

**READ AND BE CONVINCED.**  
From the "Dental Bee."  
The editor said, Dec. 22nd:  
Dr. Hoofland's Celebrated German Bitters for the Liver and Stomach, is a most valuable medicine for chronic or nervous debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received a permanent cure of liver complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise their use.

"Scott's Weekly," one of the best Literary papers published, says, Aug. 25—  
"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

**MORE EVIDENCE.**  
The Hon. C. D. Hinde, Mayor of the city of Camden N. J., says:  
"Hoofland's German Bitters."—We have seen many bottles of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were induced to it, and must say we found it specific in its action upon diseases of the liver, and the bowels, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing.

If this medicine was more generally used, we are satisfied that it would be a great blessing to the stomach, liver, and nervous system, the great majority of real and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. The true medicinal merit of this medicine, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."

Evidence upon evidence has been received (that the Hon. J. C. Hinde, Mayor of the city of Philadelphia, the last three years, and the strongest testimony in its favor, is that there is no more it used in the practice of the regular Physicians of Philadelphia, than all other nostrums could, and a fact that can easily be established, and fully proving that serious preparation will meet with their quiet approval when presented.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver, and is a powerful remedy in all bilious diseases—the effect is immediate. It may be administered to female or infant with safety and reliable benefit at any time.

Look well to the marks of the genuine. The signature of Dr. C. M. JACKSON upon the wrapper, and his name blown in the bottle, without which they are spurious. For sale Wholesale and Retail at the GERMAN MEDICINE STORE, No. 120 Arch street, one door below Sixth, Philadelphia; and by respectable dealers generally throughout the country.
